Dear Ms. Pelegri:

RE: Northwest Direct Teleservices, Inc..

Please be advised that I represent Max Zweizig, an employee of Northwest Direct Teleservices, Inc., an Oregon corporation.

Mr. Zweizig has become aware of an enterprise within his company which involved the fraudulent billing of hours for work that had not been completed. It appeared from the documents which Mr. Zweizig received that in multiple instances, several employees at Northwest were involved in a pattern of over billing several clients.

Mr. Zweizig is also concerned that these acts may have been perpetuated through the mail or over the world wide web.

Mr. Zweizig felt compelled to disclose these potential violations of the Racketeer Influenced and Corrupt Organization Statutes. He has reported the potential violations to the company's chief executive officer, Timothy C. Rote but is unable to ascertain whether or not the matter is being resolved.

You can contact Mr. Timothy Rote at 5285 SW Meadows Road, Suite 440, Lake Oswego, OR 97305.
